047 20/21 To receive report from District/County Councillor

Cllr Theodoulou reported as follows: -

- The County Council are heavily involved in matters relating to Covid 19. The Clerk reported that Southrop were not receiving regular updates. Cllr Theodoulou will be looking into this.

Other matters:

- Childrens and Adult Care budgets is projected to have an estimated overspend in the order of £6.5 million by the end of the year. Reserves can cover this, but it is not ideal. There are more children requiring care and more adults in need of help which is putting pressure on the budget.
- Cabinet are also making losses from car parking with a projected loss of £1.5 million.
- Climate change – Long term project for planting 35 million trees to 2030.
- Major road works on roads in the area. Any further road issues should be directed to Cllr Theodoulou.
- **CDC** – is keeping in contact with communities regarding Covid. Emphasis is on walking and riding and signage is being made available to help with this.
- Loss of income for car parking is having an impact on the CDC budget.
- Planning consultation paper is suggesting that there might be an increase in the provision of housing away from the provision as set down in the Local Plan. This isn't possible because of the AONB.

Cllr P Brickley reported that signage from works carried out in the village has not been cleared and requires removal. The road through the village requires some attention. Damage to the road surface is caused by the amount of traffic coming through the Village. It was agreed that there is too much traffic.
